

I listen to K-LOVE in my area on 106.7 FM. This is the ONLY radio station my husband and I listen to. K-LOVE is wholesome clean listening, there are no dirty words, foal talking, etc. It is good for the whole family. I vote against anything that would prevent me and my family and friends from being able to listen to K-LOVE. I plan to tell everyone I know about this so you will receive more comments in support of whatever it takes to keep K-LOVE on the air in my area as well as around the country. This is the only radio station that supports godly family values, where the music actually sends a positive message instead of all the junk as on other stations and TV. PLEASE KEEP K-LOVE BROADCASTING LOUD AND CLEAR!!!
